

The Resource Center and Lending Library (RCLL), located in the Smart Start of Transylvania County (SSTC) office, will employ a part-time (.50 FTE) Resource Center Coordinator. The RCLL will provide child development resources and materials such as, but not limited to, books, manipulatives, reference materials, curriculum kits, etc. and will serve childcare centers, family childcare homes, and early childhood education students. An annual membership fee may be collected from users of the RCLL and nominal fees may be charged for some services such as laminating and binding. Materials will be available for check out, and training on the appropriate use of materials will be provided upon request by the Resource Center Coordinator. Workshops for teachers, parents, and ECE students on topics related to selection and use of appropriate educational and developmental materials will be held upon request. The RCLL will operate with similar business hours as the SSTC office. However, lending of books and resources, holding workshops and training sessions, and other related events will be according to pre-designated schedules. Snacks and refreshments may be provided during the workshops and training sessions.
